## Profile & My Goals

Passionate about learning new technologies and improving existing skills as well. Self motivated, quick learner, detail oriented, with strong soft skill selection, I'm always striving to make things finer.

I've been working as freelancer but I'm currently focused on looking for a suitable position within an exciting & innovative company that offers room for progression and want me to help them achieve their goals and along the way, achieve mine.

## Skills ( Technologies that I use )

- WordPress
- MySQL
- WooCommerce
- HTML
- Figma
- Elementor
- CSS
- PHP
- Bootstrap
- JavaScript
- Git
- Photoshop
